CAREER SUMMARY

Front-End Developer with 3+ years of experience building responsive, interactive, and user-friendly web applications. Proficient in HTML, CSS, JavaScript, React.js, Next.js, and Tailwind CSS, with experience integrating APIs, developing reusable components, and creating intuitive user interfaces. Passionate about writing clean, maintainable code, solving technical problems, and transforming design concepts into functional digital experiences. Eager to contribute to innovative projects while continuously improving technical expertise.

WORK EXPERIENCE

Front-End Website Developer Intern — Abeokuta, Ogun State.
BlueSpectra, Nigeria. — Dec 2024 – Aug 2025

- Collaborated with the product development team to improve and redesign web applications, enhancing their functionality and user experience.
- Developed and implemented website updates and modifications in line with provided design specifications.
- Assisted in building and refining responsive web interfaces to ensure consistency, usability, and compatibility across different screen sizes.

Remote Web Development Intern — India.
Zidio technology, India. — March 2024 – July 2024

- Collaborated remotely with the development team to design and develop web application interfaces.
- Implemented website features, updates, and modifications based on project requirements.
- Participated in collaborative development activities and applied front-end development principles to practical projects.

Java Programming Trainee — Abeokuta, Nigeria
Code-verse ltd, Nigeria. — Dec 2022 - March 2023

- Writing java code to implement software features and functionalities.
- Worked at an independent level, while also serving as an effective collaborator.
- Performed data entry tasks with accuracy and speed unitizing Java programs and IDE's.

Graphics Designer — Lagos, Nigeria
Anike Robert Clothing, Nigeria — Nov 2021 - Dec 2022

- Created flyers, and other marketing designs
